Dear Jashim,

**First Capital Connect (FCC) and First ScotRail (FSR) response to Network Rail's proposals for changes to the EC4T Metering Rules - OTM incentive charges**

FCC and FSR are pleased to respond to Network Rail's consultation letter from Ekta Sareen dated 5<sup>th</sup> December 2012.

Proposals 1, 2 and 3 as discussed in the letter are fully supported FCC and FSR and we look forward to their speedy introduction.

This response is supported by First ScotRail.

Yours sincerely

John Beer  
Head of Access Contracts
