

Cambridge South preferred location

Network Rail publicly consulted on three options for the location of the new station in January and February 2020. These were:

- Option 1: (northern station location)
- Option 2: (central station location)
- Option 3: (southern station location)

Network Rail has selected Option 1 (northern station location) as the preferred option for Cambridge South.

- 1 Northern station location
- 2 Central station location
- 3 Southern station location
