

2020/21 Armley Park Vegetation Management and Scaling Programme

Farnells - Carlton trading Estate

Key:

-  Trees to be coppiced except for those requiring further assessment.
-  Further assessment required

Planned work overnight on 31st October / 01st November 2020: Vegetation management including coppicing of trees in red shaded areas (excluding those identified with orange circles) and light scaling of loose rocks. If work not completed on this night further work to be planned for later in the programme.

Orange circles identify trees which require further assessment. If required, work to these trees will take place later in the programme, exact dates to be confirmed but likely to be in the new year.

Note: sketch drawing shows approximate locations of trees and areas, more detailed information is contained within the Tree survey report and drawings
