for adults (and kids)

# Forth Bridge

Get creative with Scotland's Forth Bridge. Its highest point is 110 metres above high water and it's 2467 metres in length.

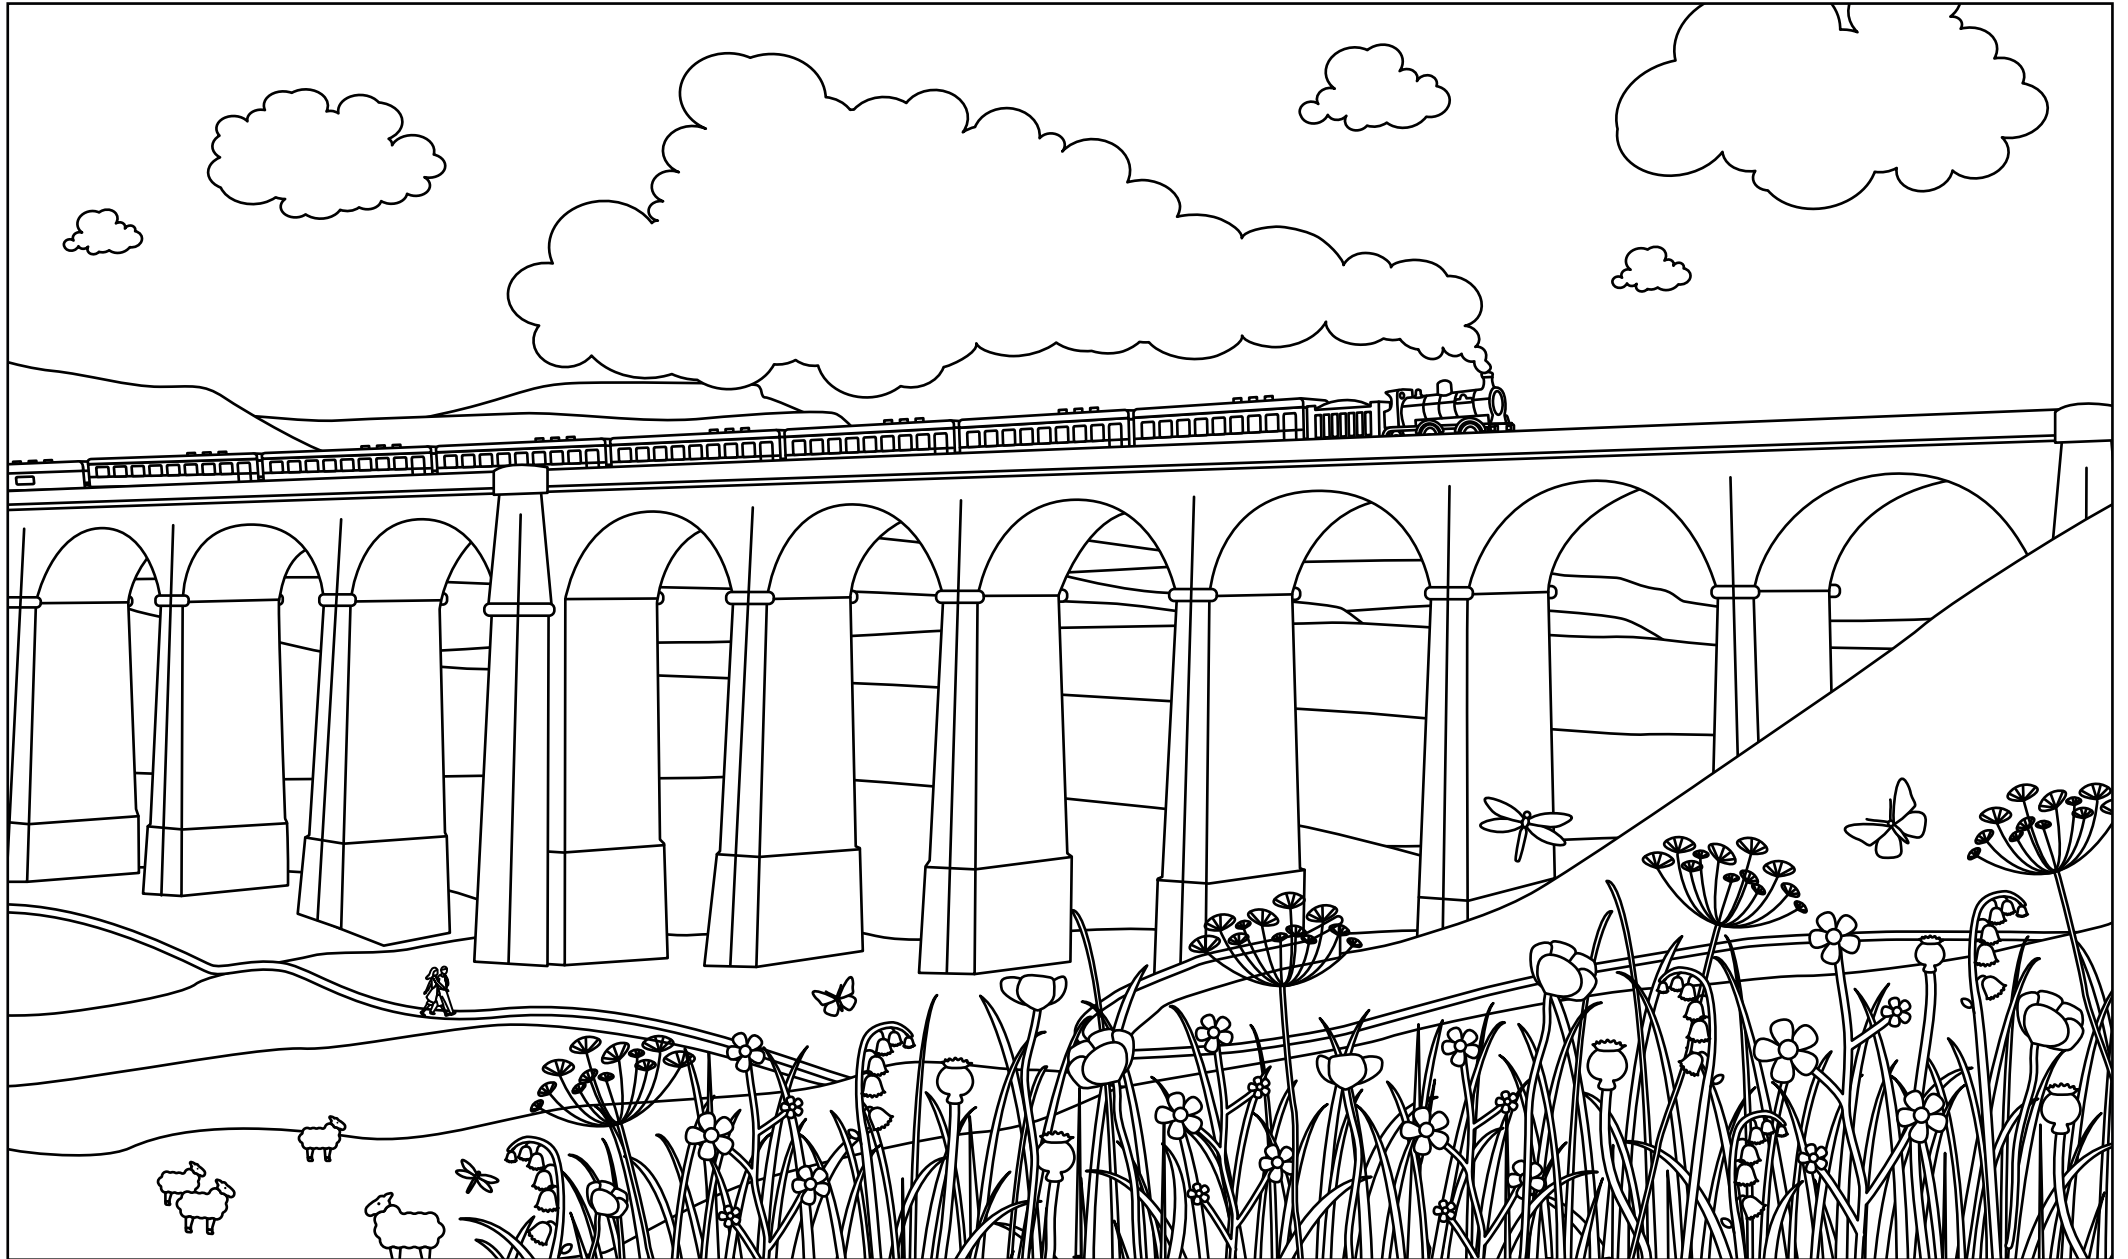

# Bristol Temple Meads station

Bristol Temple Meads railway station takes its name from the land upon which it was built. In the 12<sup>th</sup> and 13<sup>th</sup> centuries this was owned by the Knights Templar.

# Ribblehead Viaduct

Ribblehead Viaduct is a stunning feat of Victorian engineering along the picturesque Settle to Carlisle line. It has 24 arches, is 400 metres long and 32 metres above the valley floor.

# Birmingham New Street station

Birmingham New Street station is a major transport hub. The concourse is enclosed by a giant atrium with wishbone-shaped arched trusses, allowing natural light to flow through the station.

# London St Pancras

London St Pancras International is a huge Victorian gothic station that today is our railway link with France and the rest of Europe.
