Corporate GIS data is subject to frequent updates therefore any data exported from the corporate GIS system is a static representation of the data at the time of export, and should be treated as such.

Please note that the route boundaries for the North West & Central Region are currently under review, and therefore this layer represents the latest available data in our systems. The representation of North West & Central regional boundaries in this layer may not represent latest boundary position. Care should be taken when using this information as this information is currently not being updated.
