- 3.11 Network Rail shall use reasonable endeavours to carry out the Works for the Estimated Project Cost, but, without prejudice to the other terms of this Agreement, the Customer shall pay all Network Rail Costs reasonably and properly incurred by Network Rail.

4 Necessary Consents

- 4.1 Network Rail shall make applications for, and use reasonable endeavours to obtain, those Necessary Consents specified in paragraph 4.2 of Schedule 3 as revised in accordance with clause 6.
- 4.2 Subject to clause 4.4, the Customer shall pay all costs reasonably incurred in applying for the Necessary Consents and any costs or compensation payable as a consequence of the grant of the Necessary Consents (except to the extent that they are due to the negligence or breach of Network Rail).
- 4.3 Network Rail shall have no liability to the Customer under this Agreement and shall have the right to extend the Completion Date and the Liquidated Damages Payment Date by such period as is reasonable in the circumstances as a result of
- (a) any Necessary Consent not being granted; or

- except to the extent that it is as a result of negligence or breach of this Agreement by Network Rail and in which case Network Rail will be liable for the Direct Costs incurred by the Customer.
- 4.4 In the case of agreement of the Regulated Change before the Commencement Date the Regulated Change shall be as listed in paragraph 4.1 of Schedule 3. 5 Additional Expense

- 5.1 Network Rail shall own the Works upon their completion. The Customer agrees to reimburse Network Rail all additional operation, maintenance and renewals costs that may arise for Network Rail as a result of the Works and/or any Regulated Change (**Additional Expense**), for the life of the relevant enhanced asset or until the end of the Control Period in which the Completion Date occurs, if sooner, where the Additional Expense is greater than £50,000 per annum after deduction of any sums paid to Network Rail by a third party. For the avoidance of doubt, where the Additional Expense is greater than £50,000, the Customer shall be required to pay the entire Additional Expense and not just the Additional Expense in excess of £50,000.

6 Variations⁶

⁵ The text in this clause 4.5 should be deleted and replaced with "Not used" when the Customer is a Train Operating Company. The Customer may be responsible for obtaining the Regulated Change where the Customer is an Operator and this should be documented in paragraph 4.3 of Schedule 3.

⁶ The Customer should note that these Variations provisions may be used by the Customer to reduce the scope of the Works or Services as a means of managing their budget for the Project.

BASIC IMPLEMENTATION AGREEMENT (EMERGING COST)**SUBJECT TO CONTRACT**

- 6.1 Any Variations shall be paid for by the Customer (unless the Parties agree otherwise or it is a Variation of the type specified in clauses 6.2(a) to (c)) and shall only be effective if agreed by both Parties in writing.
- 6.2 Notwithstanding any provision in this Agreement, where Network Rail reasonably considers that a Variation is necessary:
- (a) to avoid, address or alleviate a Network Operation Issue; or
 - (b) to carry out any works necessary due to any Existing Asset Obligation; or
 - (c) to address, alleviate or comply with (as appropriate) a Mandatory Variation; or
 - (d) to address, alleviate or comply with (as appropriate) any Change in Law or a Direction of a Competent Authority arising as a consequence of the Works or any requirement of the Network Licence to the extent it is not a Mandatory Variation; or
 - (e) as a consequence of the crystallisation of a risk which is identified in the QRA or a risk which was not reasonably foreseeable as at the Commencement Date; or
 - (f) to meet the Works Requirements and the need for the Variation was not reasonably foreseeable as at the Commencement Date,

Network Rail shall be entitled to vary the Works or Completion Date or the Liquidated Damages Payment Date to the extent that is reasonable in the circumstances, and the Customer shall not be liable for the Network Rail Costs in connection with a Variation in respect of clause 6.2(a) to (c).

- 6.3 Where Network Rail considers that a Variation is necessary under clause 6.2, it shall consult with the Customer (providing reasonable information concerning the proposed Variation) and take into account the reasonable comments of the Customer when considering the scope, cost and effect of the Variation. The Customer may not object to a Variation under clause 6.2. but may refer any matter concerning the scope, cost and effect of the Variation to be resolved under 16.1.

7 Compensation and Relief

- 7.1 Network Rail shall bear additional Direct Costs reasonably and properly incurred by the Customer (unless such costs are below £10,000 in aggregate) where:
- (a) any interference with the Works which is caused by another contractor from an interfacing project interferes with, hinders or obstructs Network Rail (or its contractor) from carrying out the Works in accordance with the Implementation Programme; or
 - (b) any Booked Possession is cancelled or altered (including as a result of any default by any Operator but excluding as a result of any action and / or default by the Customer); or
 - (c) a Variation is being implemented in accordance with clause 6.2(a) to (c);

except to the extent such costs are incurred due to the breach or negligence of the Customer or any contractor appointed by the Customer (other than Network Rail).

8 Intellectual Property

- 8.1 Network Rail hereby grants to the Customer an irrevocable, royalty-free and non-exclusive, licence to use (solely in connection with the Works), reproduce, modify and / or enhance any such intellectual property owned by Network Rail.
- 8.2 Network Rail shall use its reasonable endeavours to procure the grant to the Customer of a similar licence to use any intellectual property rights created as a result of the design and implementation of the Works which are owned by any third party. Save as aforesaid the Customer shall not acquire any intellectual property rights as a result of this Agreement or the Works.
- 8.3 The Customer shall indemnify Network Rail from and against any and all Losses arising from the use by the Customer of any intellectual property other than for the purposes of the Works. Network Rail shall indemnify the Customer from and against any and all Losses arising from the use by Network Rail of any intellectual property other than for the purposes of the Works.

9 Completion

BASIC IMPLEMENTATION AGREEMENT (EMERGING COST)**SUBJECT TO CONTRACT**

- 9.1 Where Network Rail considers that the Works have been completed in accordance with the Completion Criteria, Network Rail shall issue the Completion Certificate to the Customer.
- 9.2 The legal and beneficial title in the Works shall vest in Network Rail.
- 10 Network Rail Costs**
- 10.1 The Customer shall pay to Network Rail all reasonably and properly incurred Network Rail Costs and any other sums due under this Agreement in accordance with the terms set out in this clause 10 and Schedule 2.

Subject to clause 10.3, payment by the Customer to Network Rail shall be without set-off, retention, counterclaim, abatement or any other deduction and shall be due twenty (20) Working Days after the date of issue of the invoice (**Final Date For Payment**).
- 10.3 Where the Customer intends to withhold all or part of payments of any amount claimed by Network Rail in the invoice, notice must be given to Network Rail not later than five (5) Working Days before the Final Date For Payment under clause 10.2. The notice shall state the amount to be withheld, the basis on which that amount is calculated and the grounds for withholding payment. Unless such notification to withhold payment has been received from the Customer, the amount to be paid is that stated in the invoice which shall become due in accordance with clause 10.2.
- 10.4 Should any invoice not be paid by the Final Date For Payment in accordance with clause 10.2 (except in respect of any amount determined not to be payable pursuant to clause 16), interest shall be payable on the amount due calculated from the due date for payment up to and including the actual date of payment at the Interest Rate.
- 10.5 All amounts are exclusive of value added tax, which will be charged at the applicable rate.
- 11 Limitation of Liability**
- 11.1 Save as otherwise expressly provided in this Agreement, neither Party shall be liable in respect of any Losses payable under or in connection with this Agreement except where:

For the avoidance of doubt, (i) in such an instance all Losses can be claimed not just the Losses in excess of £10,000 and (ii) after payment of such Losses, no further claim shall be made until the earlier of any further Losses suffered being in excess of £10,000 or Completion or termination of this Agreement; or

- 11.2 Network Rail's maximum aggregate liability to the Customer for any reason arising under, or in connection with, this Agreement or the Works including but not limited to breach of contract, in tort (including negligence), or for breach of statutory duty, or for liquidated damages payable pursuant to clause 11.5 shall not exceed an amount equal to the Network Rail Cap. Notwithstanding the Network Rail Cap where, in respect of the same event, Network Rail recovers any sums under an Insurance Policy, it shall pay such sums (if and to the extent that such recovered sums relate to loss suffered by the Customer and not by Network Rail itself) to the Customer. Any sums recovered by Network Rail under an insurance policy and paid to the Customer shall not contribute to the Network Rail Cap. Network Rail shall use reasonable endeavours to make such recovery (which shall include an obligation to make and diligently pursue a claim but shall not include an obligation on Network Rail to take legal action).
- 11.3 Clause 11.2 shall not apply to Losses incurred by the Customer as a result of:
- (a) any liability in respect of death or personal injury resulting from a negligent act or omission or breach of statutory duty by Network Rail or any employee of Network Rail; and/or

BASIC IMPLEMENTATION AGREEMENT (EMERGING COST)**SUBJECT TO CONTRACT**

- 11.4 Any Losses suffered by either Party shall, for the purposes of clause 11.1, be reduced to the extent that they are caused by or contributed to by that Party's own negligence or breach of its obligations under this Agreement.
- 11.5 Subject to the limit of liability in clause 11.2, if to the extent that the Completion Criteria have not occurred by the Liquidated Damages Payment Date, unless due to the fault of the Customer or any contractor employed by the Customer, then Network Rail shall pay to the Customer the Daily Liquidated Damages for each day from the Liquidated Damages Payment Date until the date the Completion Certificate is issued by Network Rail in accordance with clause 9.1 or the date that it is determined under the Escalation Procedure that [Completion Date]⁷ has occurred. The Customer is not entitled to claim any other Losses in relation to delay to the achievement of any of the Completion Criteria except pursuant to this clause 11.5.
- 11.6 The Customer's maximum aggregate liability to Network Rail for any reason arising under, or in connection with, this Agreement or the Works shall not exceed an amount equal to the Customer Cap. Notwithstanding the Customer Cap where, in respect of the same event, the Customer recovers sums under an insurance policy (including any insurance maintained by a contractor employed by the Customer) or under any contract entered into by the Customer, it shall pay such sums (if and to the extent that such payments relate to loss suffered by Network Rail and not by the Customer itself) to Network Rail. For the avoidance of doubt any sums recovered by the Customer under an insurance policy (including any insurance maintained by a contractor employed by the Customer) or contract and paid to Network Rail shall not contribute to the Customer Cap. The Customer shall use reasonable endeavours to make and diligently pursue a claim but shall not include an obligation on the Customer to take legal action).
- 11.7 Clause 11.6 shall not apply to:
- (a) the Customer's payment obligations under clauses 4.2, 5, 10, 14.2 or Schedule 2; or
 - (b) any Losses incurred by Network Rail due to the negligence (except to the extent such negligence relates to the carrying out of any design by the Customer or any contractor appointed by the Customer⁸), fraud or fraudulent misrepresentation of the Customer or by any contractor appointed by the Customer (other than Network Rail); or

 - (d) any liability in respect of death or personal injury resulting from a negligent act or omission or breach of statutory duty by the Customer or any employee of the Customer.
- 11.8 In no circumstances shall Network Rail or the Customer be liable to one another for any Indirect Loss (without prejudice to any express payment or indemnity obligation of either Party under this Agreement).

12 Force Majeure Events

- 12.1 Subject to clauses 12.2 to 12.6, each Party shall be relieved from liability for non-performance of its obligations under this Agreement (other than any obligation to make payment) to the extent that it is not able to perform or suffers or causes delay in performing (acting reasonably) such obligations by reason of a Force Majeure Event. Network Rail shall be entitled to changes to the Completion Date and the Liquidated Damages Payment Date to reflect an extension of time properly awarded under the Contracts in respect of a Force Majeure Event.
- 12.2 Each Party shall at all times following the occurrence of a Force Majeure Event:
- (a) take all reasonable steps to prevent and mitigate the consequences of such an event upon the performance of its obligations under this Agreement, resume performance of its obligations affected by the Force Majeure Event as soon as practicable and use all reasonable endeavours in accordance with Good Industry Practice to remedy its failure to perform; and

⁷ This definition should relate to when the Customer and Network Rail agree that the relevant criteria should have been satisfied to prevent the Customer incurring losses. It is anticipated that in normal circumstances this will be the Completion Date, but this may not always be the case. Either retain the existing definition or replace with agreed definition, but once confirmed remove [].

⁸ If Network Rail is not relying on any designs developed by the Customer, please delete: (1) the wording in brackets in clause 11.7(b) only (not the whole clause limb) and (2) clause 11.7(c) in its entirety.

BASIC IMPLEMENTATION AGREEMENT (EMERGING COST)**SUBJECT TO CONTRACT**

- (b) not be relieved from liability under this Agreement to the extent that it is not able to perform, or has not in fact performed, its obligations under this Agreement due to any failure to comply with its obligations under clause 12.2(a).
- 12.3 On the occurrence of a Force Majeure Event, the affected Party shall serve notice on the other Party as soon as reasonably practicable and in any event within ten (10) Working Days of it becoming aware of the relevant Force Majeure Event. Such notification shall identify the particular event claimed to be a Force Majeure Event and provide such relevant information as is available, including the date of occurrence of the Force Majeure Event, the effect of the Force Majeure Event on the ability of the affected Party to perform, the action being taken in accordance with clause 12.2(a) and (where possible) an estimate of the effects upon the Implementation Programme, the Completion Date and the Liquidated Damages Payment Date. The affected Party shall provide the other Party with any further information it receives or becomes aware of which relates to the Force Majeure Event.
- 12.4 The affected Party shall notify the other Party as soon as practicable once the performance of its affected obligations can be resumed (performance to continue on the terms existing immediately prior to the occurrence of the Force Majeure Event).
- 12.5 As soon as practicable following the notification described in clause 12.3, the Parties shall use reasonable endeavours to agree appropriate modifications to the Implementation Programme (including those needed to properly take into account any changes to the Completion Date and the Liquidated Damages Payment Date required by Network Rail under clause 12.1) to take into account the effects of the Force Majeure Event and to facilitate the continued performance of this Agreement and the progress of the Works and Services.
- 12.6 If the consequences of such Force Majeure Event are continuing for a period not less than 42 calendar days and the Parties have not agreed appropriate modifications in accordance with clause 12.5, then either Party may terminate this Agreement with immediate effect by written notice to the other Party. Upon termination the provisions of clause 14 shall apply.

13 Termination

- 13.1 Either Party may by written notice terminate this Agreement with immediate effect if:
 - (a) the other Party is in persistent or material breach of this Agreement (provided that the Party wishing to terminate shall first notify the other Party of any remediable breach and its intention to terminate, and shall allow the other Party a period of twenty (20) Working Days to remedy such breach); or
 - (b) the other Party becomes insolvent.
- 13.2 The Customer may in any event terminate this Agreement by giving twenty (20) Working Days written notice to Network Rail if:
 - (a) the latest estimated duration of the Works results in the likelihood of the Works not being completed by [xx calendar days/weeks/months/years]⁹ after the Completion Date revised in accordance with clause 6 (other than clause 6.2); or
 - (b) the latest Estimated Project Costs are more than 25% greater than the Estimated Project Costs as at the Commencement Date revised in accordance with clause 6 (other than clause 6.2)

unless the same is due to the negligence or breach of the Customer.

14 Consequences of Termination

- 14.1 Upon termination of this Agreement or completion of the Works, as applicable, the obligations of the Parties shall cease except for:
 - (a) any obligations arising as a result of any antecedent breach of this Agreement or any accrued rights; and
 - (b) the provisions of clauses 5, 8, 10, 14.2, 15, 16 and 19 which shall survive the termination or expiry of this Agreement and continue in full force and effect along with any other clauses of or Schedules to this Agreement which are necessary to give effect to them.

⁹ This date should be based on an increase of 25% in the duration of the Works – update as applicable.

BASIC IMPLEMENTATION AGREEMENT (EMERGING COST)**SUBJECT TO CONTRACT**

- 14.2 If this Agreement is terminated for any reason prior to Completion, the Customer shall pay:
- (a) the Network Rail Costs up to the date of termination; and

 - (iii) such additional amount as is required to put Network Rail in the same after tax position (taking into account the amount of any relief, allowance, deduction, set-off or credit relating to tax available to Network Rail in respect of the payment received or the payment of the costs incurred) as it would have been in if the payment had not been a taxable receipt in Network Rail's hands.

15 Confidential Information and Data Protection
