

International Freight Capacity Notice 2025

For International Freight Train Slots available from 15th December 2024 to 14th December 2025

Date of issue - 5th October 2023

Note: This International Freight Capacity Notice is issued under Part D of the Network Code and replaces any previous International Freight Capacity Notices for the period to which it relates.

SECTION A

UK Export direction

Protection limits					Days								Y path	Allocation
TID	Dep.	From	Arr.	To	ODT	ODT at Dollands Moor	Su	M	T	W	Th	F	S	

UK Import direction

Protection limits					Days								Y path	Allocation
TID	Dep.	From	Arr.	To	ODT	ODT at Dollands Moor	Su	M	T	W	Th	F	S	

SECTION B - UNALLOCATED

International Freight Train Slots available to Timetable Participants under Part D of the Network Code for the carriage of rail freight through the Channel Tunnel.
These Train Slots may be flexed by up to plus or minus 60 minutes during preparation of the New Working Timetables
