For the avoidance of doubt the Customer may request that Network Rail amends the Variation Request to accommodate any reasonable objections raised by the Customer. Where Network Rail has to act immediately in the case of clause 7.4 (a) to 7.4 (c) inclusive to protect the safety and operation of the Railway, Network Rail shall not be obliged to serve a Variation Request prior to commencing the Variation but shall, as soon as practicable, provide to the Customer the information set out in clause 7.2. If the Parties do not agree the information provided under clause 7.2, the Dispute shall be referred to the Escalation Procedure.

8. Compensation and Relief

8.4 In calculating the additional Direct Costs payable or the Network Rail Costs not payable as a result of a Relief Event:

- (a) no claim shall be made by the Customer unless such Direct Costs exceed £10,000 in aggregate in respect of the relevant Relief Event and are notified to Network Rail prior to the Completion Date;
- (b) the Customer shall not be entitled to any compensation or relief to the extent that any delay or cost incurred as a result of the occurrence of a Relief Event is due to the negligence, breach or default of the Customer or the breach or default of any contractor appointed by the Customer (other than Network Rail);
- (c) any Direct Costs paid by Network Rail shall not be included in the calculation of Network Rail's maximum aggregate liability under clause 13.2 unless the Relief Event is the cancellation or alteration of a Booked Possession occurring as a result of the negligence or breach of this Agreement by Network Rail; and

9. Intellectual Property

9.1 Network Rail hereby grants to the Customer, to use for the purposes of the Project, an irrevocable, royalty-free and non-exclusive licence to use, reproduce, modify and/or enhance any such Intellectual Property owned by Network Rail.

9.2 The licence referred to in clause 9.1 shall include the right for the Customer to grant sub-licences for any of the purposes set out in clause 9.1 (other than in respect of proprietary software which is not specifically prepared for the Project), provided that:

- (a) the sub-licensee shall be prohibited from entering into any assignment or further sub-licence; and
- (b) any such sub-licence shall impose confidentiality obligations upon the sub-licensee which are no less onerous than the confidentiality obligations upon the Customer under this Agreement.

9.3 Where Network Rail does not own rights in any relevant Intellectual Property, it shall use reasonable endeavours to procure such rights in the Intellectual Property for the Customer.

9.4 The Customer shall not use the documentation and information provided to it by Network Rail under the Agreement other than for the purpose for which it was provided. If the Customer provides any document produced by Network Rail or any Contractor to a third party, Network Rail shall have no liability to such third party in respect of the use of such document for any purpose other than that for which it was produced and the Customer shall obtain prior written acknowledgement from the third party to this effect.

9.5 Network Rail shall have no liability whatsoever in respect of the use by the sub-licensee of any Intellectual Property provided by Network Rail to the Customer, and the Customer shall

indemnify Network Rail from and against any and all Losses arising from the use by any sub-licensee of any Intellectual Property.

10. Completion

10.1 When in its reasonable opinion Network Rail has completed such Services or Deliverables as constitute all or an identifiable part of Schedule 4, it shall notify the Customer.

11. Network Rail Costs

11.1 The Customer shall pay to Network Rail all reasonably and properly incurred Network Rail Costs and any other sums due under this Agreement in accordance with the terms set out in this clause 11 and Schedule 2. For the avoidance of doubt, costs incurred by Network Rail as a result of a breach by or negligence of its Contractors are not reasonably and properly incurred Network Rail Costs.

11.2 Within ten (10) Working Days after the end of each Payment Period throughout the carrying out of the Services and/or Survey Works, Network Rail shall submit an invoice (with an attached breakdown and including any supporting information reasonably requested by the Customer) to the Customer in respect of the Network Rail Costs applicable to such Payment Period or any preceding Payment Periods, if not previously invoiced. Subject to clause 11.3, payment by the Customer to Network Rail shall be without set-off, retention, counterclaim, abatement or any other deduction and shall be due twenty (20) Working Days after the date of issue of the invoice (**Final Date For Payment**).

11.3 Where the Customer intends to withhold all or part of payments of any amount claimed by Network Rail in the invoice, notice must be given to Network Rail not later than five (5) Working Days before the Final Date For Payment under clause 11.2. The notice shall state the amount to be withheld, the basis on which that amount is calculated, and the grounds for withholding payment. Unless such notification to withhold payment has been received from the Customer, the amount to be paid is that stated in the invoice which shall become due in accordance with clause 11.2.

11.4 Should any invoice not be paid by the Final Date For Payment in accordance with clause 11.2 (except in respect of any amount determined not to be payable pursuant to clause 18), interest shall be payable on the amount due calculated from the due date for payment up to and including the actual date of payment at the Interest Rate.

12. Value Added Tax

12.1 Unless stated otherwise, all amounts referred to in this Agreement shall be deemed to be exclusive of VAT.

12.2 Where any taxable supply for VAT purposes is made under or in connection with this Agreement by one Party to the other the payer shall, in addition to any payment required for

that supply, pay upon presentation of a valid tax invoice such VAT as is chargeable in respect of it.

- 12.3 Where under this Agreement one Party has agreed to reimburse or indemnify the other in respect of any payment made or cost incurred by the other Party, the first Party shall also reimburse any VAT paid by the other which forms part of its payment made or cost incurred to the extent such VAT is not available for credit for the other Party, or for any person treated as a member of the same VAT group as the other Party under sections 25 and 26 of the Value Added Tax Act 1994.
- 12.4 Where under this Agreement any rebate or repayment of any amount is payable by one Party to the other, and the first Party is entitled to issue a valid VAT credit note, such rebate or repayment shall be paid together with an amount representing the VAT paid on that part of the consideration in respect of which the rebate or repayment is made and the first Party shall issue an appropriate VAT credit note to the other Party. When a credit is allowed to a Party and that Party is able to recover all the tax on the supply by the first Party as input tax, both Parties can agree not to adjust the original VAT charge in accordance with HMRC VAT Notice 700 paragraph 18.2.1.

13. Limitation of Liability

 - (b) the Losses are incurred as a result of, or sums are unpaid under, clauses 11, 12 or 16.2.

Notwithstanding the Network Rail Cap, where, in respect of the same event, Network Rail recovers any sums under an Insurance Policy, it shall pay such sums (if and to the extent that such recovered sums relate to loss suffered by the Customer and not by Network Rail itself) to the Customer. Any sums recovered by Network Rail under an insurance policy and paid to the Customer shall not contribute to the Network Rail Cap insofar as the Network Rail Cap has not already been reached. Network Rail shall use reasonable endeavours to make such recovery (which shall include an obligation to make and diligently pursue a claim but shall not include an obligation on Network Rail to take legal action).
- 13.3 Clause 13.2 shall not apply to Losses incurred by the Customer as a result of:

- 13.6 The Customer's maximum aggregate liability to Network Rail for any reason arising under, or in connection with, this Agreement or the Project shall not exceed an amount equal to the Customer Cap. Notwithstanding the Customer Cap where, in respect of the same event, the Customer recovers any sums under an insurance policy (including any insurance maintained by a contractor employed by the Customer) or under any contract entered into by the Customer, it shall pay such sums (if and to the extent, that such payments relate to loss suffered by Network Rail and not by the Customer itself) to Network Rail. For the avoidance of doubt any sums recovered by the Customer under an insurance policy (including any insurance maintained by a contractor employed by the Customer) or any contract and paid to Network Rail shall not contribute to the Customer Cap insofar as the Customer Cap has not already been reached. The Customer shall use reasonable endeavours to make and diligently pursue a claim but this shall not include an obligation on the Customer to take legal action).
- 13.7 Clause 13.6 shall not apply to:
- (a) the Customer's payment obligations under clauses 6, 8.4, 11, 12 or Schedule 2;
 - (b) any Losses incurred by Network Rail due to the negligence (except to the extent that such negligence relates to the carrying out of any design by the Customer or any contractor appointed by the Customer¹⁶), fraud or fraudulent misrepresentation of the Customer or of any contractor appointed by the Customer (other than Network Rail);
 - (c) any Losses incurred by Network Rail due to negligence in relation to the carrying out of any design by the Customer or any contractor appointed by the Customer which Losses shall instead not exceed an amount equal to the Customer's Design Liability Cap; or

- 14. Force Majeure Events**
- 14.1 Subject to clauses 14.2 to 14.6, each Party shall be relieved from liability for non-performance of its obligations under this Agreement (other than any obligation to make payment) to the extent that it is not able to perform or suffers or causes delay in performing (acting reasonably) such obligations by reason of a Force Majeure Event. Network Rail shall be entitled to changes to the Completion Date to reflect an extension of time properly awarded under the Contracts in respect of a Force Majeure Event.
- 14.2 Each Party shall at all times following the occurrence of a Force Majeure Event:
- (a) take reasonable steps to prevent and mitigate the consequences of such an event upon the performance of its obligations under this Agreement, resume performance of its obligations affected by the Force Majeure Event as soon as practicable and

- 14.6 If the consequences of such Force Majeure Event are continuing for a period not less than 42 calendar days and the Parties have not agreed appropriate modifications in accordance with clause 14.5, then either Party may terminate this Agreement with immediate effect by written notice to the other Party. Upon termination the provisions of clause 16 shall apply.
