

Kent and Sussex Routes

ARP 2026/27, weeks 2 to 26 - Section 5 format notes

As a trial the Kent and Sussex Routes Section 5 has been published in two formats.

The first format is as traditionally presented, including colour-coding for changes in later versions.

The second format collates possessions with the same details into a single row, with a list of weeks when the possession will be taken provided. This version will not contain any colour-coding for changes in subsequent versions.

There should be no discrepancy between the formats, but in the event of any discrepancy the first version takes precedence.

We would welcome feedback, provided to the Kent and Sussex Route Planning team, from TOCs and FOCs on the usefulness of the second format.
