## For the purpose of this calendar of events, a significant event is...

An event driven by changes to one or more of, but not limited to, infrastructure, specified equipment, traffic patterns, franchises that will impact on either a single timetable participant in a substantial manner, or a number of timetable participants, and thereby require changes to one or more timetables for a sustained period or continual basis.

Changes from 2024 Final CoE issue 4 version are shown in red

Timetable Participants included are indicative

Submit	ted proposal form	ESRG Discussion										
		ESRG Date	Outcome	Feedback provided to proposer / date	Discussion notes							
East West Rail Company	East West Rail Service	10/09/2024 - Issue 3	Implementation date to be updated to May '25 from Dec '24	IVAC	Outcome - ESRG agreed that If services are planned into the relevant permanent timetable, then it should be removed from the CoE.							
n/a	New East Coast Main Line	10/09/2024 - Issue 3	Implementation date to remain as TBC	1460	Outcome - ESRG agreed that implementation date should remain as TBC, until it is known which timetable it will be implemented in.							
n/a	Wales & Borders	10/09/2024 - Issue 3	Record will be removed	IVAS	Outcome - ESRG agreed that this records, and others in future, can be removed if they are planned into the relevant permanent timetable.							
Lee Brinklow	East West Rail	03/12/2024 - Issue 4	Record will be removed	N/a	Outcome - ESRG agreed that if services are planned into the relevant permanent timetable and that ESG has been completed, then it should be removed from the CoE.							
Various industry	ECML	03/12/2024 - Issue 4	Implementation date to be Dec '25	Yes	Outcome - ESRG agreed that as the industry is gearing up to deliver against Dec '25 then this should be reflected appropriately in the CoE.							
Matthew Allen	ECML	18/03/2025 - Issue 1	Record will be removed		Outcome - ESRG agreed this is no longer an event and it should be removed from the CoE.							
N/A	Old Oak Common	18/03/2025 - Issue 1	Implementation date and ESG chair to be updated to TBC	IVAC	Outcome - ESRG agreed the implementation dates and chair for Old Oak Common will be amended to TBC for now.
